

Directions To Horn Point from Easton

Cross the Cambridge bridge follow RT. 50 east and turn right onto Crusader Ave.
(This is the road between the Wawa convenience store & Eckard Drug)

Go 30yards to the stop and make another right hand turn onto Washington St. (343west)
(You will see a green sign for "University Of Maryland Center for Environ. Science- Horn Point Lab)

Follow Washington Street(343west) for 2.9miles. Look for a "Y" in the road and you will bare to the right onto Horn Point Road.
(Just before the "Y" you will see another green sign for "University Of Maryland Center for Environ. Science- Horn Point Lab)

Follow Horn Point Road for 1.5 miles. Turn right into the University Of Maryland Center for Environ. Science- Horn Point Labs.
(You will see a large white University Of Maryland Center for Environ. Science- Horn Point Lab sign and 2pillars with 2 rams (male sheep)

Follow this road (lined by Holly trees) 0.3 miles and turn right onto Morris Lane
(you will see a small black and white sign that says "Center for Environ. Science- Education Center)

Follow Morris Lane (drive slow this is a curvey little road) for 0.2 miles to the education center.
